JULY 2021

A Month of New Beginnings

The Young family has arrived:

Blake, Bridgette, and their daughter, Willow, arrived to Colombia on June 15th. We have had the privilege to assist them in the process of obtaining their Visas, searching for a house, and all the other essential things that a family would need upon arriving in their new home country. Please continue to pray for them as they continue setting up and as they soon start language school. This family has been an answer to our prayer for more co-laborers in Colombia.

Update during the pandemic:

Just like in every country, we are still battling Covid19 in Colombia. And while cases seem to be decreasing everyday, we have had to go back to virtual services for a week to prevent an outbreak at our church due to a family testing positive for Covid. Praise the Lord that in the midst of this pandemic the Lord is still working in the hearts of our people. One in particular is **a faithful young man who took a public step of obedience through baptism**. How I wish that you could have seen **the drastic change that God has done in his life**. He now constantly talks to me and **asks me questions about the bible and new things that he is learning during his devotions**. I ask that you pray for this young man, Jeisson, as he continues to grow in the Lord and that he becomes bolder as he shares his faith to friends and loved ones. Would you also pray for our Youth meetings, that the young people would come to know the Lord and that they would give their lives to serve Him?
